Please **DO NOT** drop K-12 students off early for their day. MCP is not a comprehensive school setting and there is no supervision for students who are dropped off early for their classes throughout the day. If students have gaps in their schedules they must be picked up or you may look for another class to take. Students may be in the family room if they have a parent with them only. If parents have a work schedule that interferes with your child's schedule please make other arrangements with family or friends for transportation. Middle school and high school students who need transit passes due to hardship cases may contact our counselor.
