STUDENTS OF THE MONTH

We are so proud of the following students for demonstrating amazing leadership abilities, warmth and generosity towards peers and staff, and an eagerness to help wherever needed! These students exemplify the spirit of excellence MCP strives for!

ELEMENTARY – Jennifer Bultena

MIDDLE SCHOOL – Niko Theriault

HIGH SCHOOL – Brianna Griffin and Cassidy Kozelisky.

*Normally we only have ONE student of the month for a grade level but these two amazing high schoolers have poured themselves into a community service project for the organization HundredDollarProject.org. They won \$100 for our local women's shelter and promoted their project, Prosperity through Caring, on social media to gain enough votes to win \$1,000 for the shelter! We'll keep our MCP family updated regarding the results as they come in.

GROWING LEADERS:

Here at MCP we are wanting to develop future leaders during every stage of life! We reward responsibility, respect, and great leadership skills! Our **High Schoolers** receive stars for excellent attendance and online accountability. **Middle Schoolers** receive blue tickets to put towards a drawing for a fun prize and can earn a group reward as well. **Elementary students** receive stars with stickers, slips of recognitions, and group prizes as well.

LAST WEEKS' NEWS HIGHLIGHTS:

SOCKTOBER RESULTS ARE IN:

Fantastic job, MCP! We donated over 250 pairs of socks to the Mission in Pasco! MCP families also donated gently used clothing and grooming items. The Mission was so incredibly appreciative of MCP's generosity. Thank YOU for making an impact on lives in need!

MATH GAMES IN THE FAMILY ROOM

Have you noticed something new in the family room? If you haven't, then stop by and take a LOOK!

Every two or three weeks, a different math challenge activity will be set up on the countertop in the family room. If you are an MCP student in grades K-12, then give it a try and see if you can answer each of the questions correctly.

Three winners will be drawn from all correct entries, and each will receive a prize. Have fun, and GOOD LUCK!
