CAMPUS TIPS & REMINDERS

We are halfway through the school year but we would love for you, our parent partners, **please remind your kids (of all ages) to please line up for their own class lines well ahead of class start time.** When they do line up, we are asking for **straight lines and close to the building.** When our students don’t line up properly and on-time it contributes to tardiness and it also makes it really hard for parents, other students, and Staff to make it around our campus quickly and safely. Our MCP Paras and Staff are really working with the kids on consistency in this area but your help and encouragement to respect procedure would be fantastic!

***Please also remind your kids to keep their technology put away during lunch time for the protection of the device and to encourage them to connect with the students around them.

PROJECT FAIR

The project fair is an amazing opportunity for students to display their hard work and check out the creativity of their peers! Please look in your Family Mailbox (hanging folder) in the MCP Office for the Project Fair handout and registration form which is loaded with lots of information. This is a fun event that your whole family will enjoy!

***March 1st** – Entry forms are due in MCP office.

***March 13th** – COMPLETED PROJECTS must be delivered to Mid-Columbia Partnership gymnasium (the ANNEX), between 5-5:30.

***March 13th** - Project Fair – Even if you aren't showcasing a project, please invite friends and family to join you in checking out some of the other fun projects on display!

***March 12th-15th** – Students can bring in projects to show their teacher during their assigned showcase times.

MIDDLE SCHOOL FIELD TRIP

Tuesday March 13th, our MCP middle school students are taking a field trip! Destinations include Tri-Tech, WSU, and CBC! There are many more important details on the registration form so please read the form carefully before signing up your child. Forms are found in your family 'mailbox' (hanging folder) in the MCP Office or can be requested from Ms. Brooks, the MCP Secretary. Students who take H.S. Spanish will need to attend class and will not be able to go on the field trip per Mrs. Veleke.

IMPORTANT HEALTH UPDATES

We are at the peak of cold flu season so there are several things you can do at home to help prevent illness and keep everyone feeling healthy.

*WASH, WASH, WASH your hands! To make sure they are washing long enough, have them sing their ABC's!

*Get plenty of rest! School age children need 9-11 hours of sleep. Grown ups should try to get at least 8 hours of rest.

*Drink lots of fluids and eat a well-balanced diet – especially breakfast.

*Please keep your child home from classes if they are sick. (Scroll to the top of this week's newsletter.)

FUN FACT

We are beefing up our MCP website and are loading it with resources for MCP families and potential families.
