

Grade Level:	
Class Title:	K12 _____-(put the name of the course)
Subject:	Choose from the drop-down menu. For example: "Social Studies"
Class Description:	<p>Parent: At K12.com under the "Courses" menu select "K-8" to bring up a generic listing of the course offerings. Each subject has a paragraph blurb that gives a good description of what the course will be about. Read through this to make sure it says what you want, and doesn't say what you don't want, and then copy it into this section. Most of this information is also accessible at the website: http://www.k12.com/courses/k-8-courses/.</p> <p>This class will work toward one or more EALRs. This will be a year-long class, spanning the 2016-2017 school year.</p>
Learning Materials:	<p>Parent: K12.com has a listing of all the "Materials" you need at http://www.k12.com/courses/k-8-courses/downloadable-k-8-course-information. Just copy and paste that entire list here. Double check the formatting to make sure it isn't burdensome for someone to look through.</p>
Learning Goals/ Performance Objectives:	<p>Parent: For your goals in K12, please look at the "Course Outline" at the website: http://www.k12.com/courses/k-8-courses/downloadable-k-8-course-information. You may simply copy and paste this list into the Goals/Objectives box in WINGS.</p>
Learning Activities:	<p>Parent: Your K12 Learning Activities are directed daily by the Online School (OLS) at the K12 website. It includes various online and offline activities, readings, worksheets, and evaluations that the student will perform on pace to accomplish the goals for the class by the end of the year. You may use the link at http://www.k12.com/courses/k-8-courses/downloadable-k-8-course-information to find the specific activities for your course labeled as "Course Overview."</p> <p>A team of certificated teachers who are highly qualified in this subject matter has reviewed this WSLP.</p>
Progress Criteria/ Methods of Evaluation:	<p>"Student will complete the prescribed activities and assessments on a regular basis as defined by the K12 OLS system. Parents will check the student's daily work regularly to ensure that offline mastery is being achieved and in order to provide regular feedback to the student. The K12 OLS tracks various online activities and assessments that must be passed with a minimum of 80% in order for the student to move on to the next lesson. Student will accomplish between 12-13% of the course each month to maintain adequate pace for monthly progress reports.</p> <p>"We expect this student to be progressing toward at least 60% ("C") by the end of the year when we are determining our monthly progress review.</p> <p>"Every month progress will be determined by the HQ teacher of this course based on the question: 'Will the student master his/her performance objectives by the end of</p>

the course?" The HQ teacher will take into consideration ALL factors (including student life situation, effort, attitude, etc.) when making this professional judgment." (Always include this statement word-for-word.)

**Estimated
Weekly
Hours:**

Most K12 classes count as 5 hours towards your total SLP hours. The exception to this is Language Arts classes can count for 10 hours in grades K-8.
